Sept 2011

Howdy Folks

Our 1st official gathering ! Wow! What a feeling! What an honour! To be the Chapter Directors of such a fine group of people. Our only hope is that we are able to fulfill the trust these wonderful people have turned over to us. We have huge shoes to fill after Ken & Kathy, Larry & Linda and David & Judy. We will try our best to be the leaders you want us to be. That being said, our first duty was to welcome a very special visitor. Frank & Debbie from across the river brought Nan with them. Nan has returned to her home in Sault, Michigan and she looks great. Truly a beautiful lady! We also welcomed Janet & Kip, our newest members to their 1st gathering as well. Our first order of business was to discuss our Camp out. Several issues were brought up by the ladies who worked in the kitchen. Based on a questionnaire handed out at the meeting and also emailed to our out-of-town guests and decisions made in the past, some of these suggestions will be implemented next year. Ron Lewis, our Ride Co-Ordinator gave us an update on an up-coming dinner ride in October. More details will be emailed after all arrangements are completed. He also talked about the upcoming ride to Harbor Springs. (By the time of printing, this ride will already be in the books.) Our next gathering will be held at Grand Gardens on October 29th at 10am. Since it is Hallowe'en weekend, there will be prizes

awarded for the FUNNIEST & MOST SCARY COSTUMES. It will only be fun if EVERYONE participates. Who will be the funniest? Who will be the most scary? Who will not participate? I hope to announce the names of our Chapter Couple of the Year and our new ACD at the October meeting. David Hay has agreed to continue keeping us supplied with crests, pins, hats, flags, etc. He is waiting for a long overdue order to arrive, so be patient, he will advise when they come in. I also have an idea for our Christmas Party. I know of a couple of members who play musical instruments. There are probably a lot more who have talents no one knows about. My idea is to have a KNIGHT WINGS TALENT SHOW as part of our entertainment. So if you play an instrument, sing, dance (pole dancers welcome), are a ventriloquist, a stand-up comic or whatever, start practicing. Strut your stuff at our party. PS: Santa will be there too to hand out gifts. I told you I had a lot of new ideas ! If anyone in the Chapter has anything they want to submit – classified ads, jokes, articles on items of interest, please email them to me and I will forward them to Foster. Remember, this is your Newsletter. The more members that contribute, the more interesting it becomes. Thank you.

That's about it for this month. I promise I won't be so long winded next time.

Let's have FUN but at the same time RIDE SAFE

Ted & Julie

Don't forget to wave at someone

JOKE:

A mother is driving her little girl to her school. Mommy , the little girl asks, how old are you? Honey, you are not supposed to ask a lady her age,' the mother replied. It's not polite. OK', the little girl says, How much do you weigh? Now really,' the mother says, those are personal questions and are really none of your business. Undaunted, the little girl asks, Why did you and Daddy get a divorce? That's enough questions, young lady! Honestly!

The exasperated mother drives away after dropping her daughter off at school. My Mom won't tell me anything about her, the little girl says to her friend at school Well,' says the friend, all you need to do is look at her driver's license. It's like a report card, it has everything on it. Later that evening, the little girl says to her mother, I know how old you are. You are 32. The mother is surprised and asks, How did you find that out? I also know that you weigh 130 pounds. The mother is very surprised and asks, How in Heaven's name did you find that out? The little girl says triumphantly, I know why you and daddy got a divorce. Oh really? Why?

Because you got an F in sex.

David handing over the Hatchet to Ted. The beginning of a new Chapter tradition?

Editors note:
David : That`s not the way to treat a new CD
